

Standards of Performance –

Statement of Academic Policy

Students are held to basic standards of performance with respect to attendance, active participation in course work, promptness of assignments, correct English usage both in writing and in speech, accuracy in calculations, and general quality of scholastic workmanship.

In general, examinations are required in all courses and for all students, including seniors.

Good Academic Standing

To be in good standing, you must have an overall grade point average of C (2.00) or better for all course work taken, and a 2.00 or better for all business courses taken. Students must earn a passing grade for all required courses. This requirement applies to work taken at all university campuses. Physical education activity classes are not included in the overall or business grade point average.

Any student earning all or nearly all failing grades, or no academic credit for a semester will not be permitted to register without the dean's approval.

Official double-degree students must maintain required academic standards for the Leeds School as well as their other college.

When semester grades become available, students below the acceptable standard will be placed on probation or suspension. Students are responsible for being aware of their academic status at all times, and late grades and/or late notification do not waive this responsibility.

College rules governing probation and suspension are as follows:

Probation

If your cumulative grade point average or cumulative business grade point average falls below 2.00, you will immediately be placed on probation for one semester. If you enroll in any term in the calendar year, excluding summers, after being placed on probation, you are expected to raise your cumulative and business grade point average to at least a 2.00.

Scholastic Suspension

If you still have a cumulative overall and/or business average below 2.00 after your semester of probation, you will be suspended and will not be able to register for University of Colorado daytime courses on any campus for one academic year OR until you raise your GPA to 2.0. You are free to take summer classes at any of the CU Campuses.

If you are suspended, you may choose from the following options:

Option 1: Clear your GPA

A) You may take Continuing Education Independent Learning courses, and/or Boulder Evening credit classes, and apply for readmission when you have cleared your grade deficiency.

B) You may choose to attend another educational institution and apply for readmission when, and only when, you have overcome your grade deficiencies by means of a GPA which is arrived at by averaging the grades from CU with the grades from the other institution. These transfer grades are used only for the purpose of readmission and do not remain in the University of Colorado grade point average. If you choose this option, upon readmission, you will have two semesters to raise your CU cumulative or business grade point average to at least a 2.00. If your GPA falls after the first semester, you will again be suspended for another academic year. In order to attend another university, you must have your proposed course work pre-approved by the Office of Undergraduate Student Services in the Leeds School of Business.

C) You may choose a combination of A and B.

Option 2: Do not take classes for 1 year

If you have been under suspension for one calendar year and did not elect option 1, you may apply for readmission. You will have two semesters to raise your cumulative or business grade point average to at least a 2.0. If your GPA falls after the first semester, you will again be suspended for another academic year or until your grade deficiency has been made up.

Readmission

If you make up your grade deficiency prior to the expiration of the one year suspension or you have not taken classes for one year and desire to be readmitted, you must request readmission in writing by contacting the Office of Undergraduate Student Services at UCB 419, Boulder, CO 80309, or via email at leedsug@colorado.edu. After doing so, you may need to reapply by submitting an application through the Office of Admissions. If you have questions, please call 303-492-6515.

Readmission is subject to enrollment limitations.

Suspended Leeds School students who transfer into another school or college of the university will not be eligible to register for business courses and will be subject to administrative drops.
