

Namasté Solar -- A/V Instructions

This pilot case is delivered as multimedia PDF files as well as in a pioneering new multimedia platform, *Tell It*, that blends original video with text, the Web, and interactive media. A total of six original films are included with this groundbreaking multimedia case study.

The PDF version of the case contains embedded streaming video. In order to view and operate this multimedia PDF file, you will need:

Acrobat

<http://get.adobe.com/reader/>

Silverlight

<http://www.silverlight.net/getstarted/>

After installing the current versions of these two programs for your operating system, open the case file (Namaste Solar.pdf) in Acrobat.

In the Acrobat menu at the top of the screen, select:
View --> Full Screen Mode

In Acrobat's Full Screen Mode, use the Page Up and Page Down buttons on your keyboard to navigate. When you Page Down to the Table of Contents, mouse over any of the entries and click to navigate to that page or play that video.

On these "landing pages" you will see a menu icon in the lower left of the screen. Click on that menu button to navigate back to the Table of Contents.

When you click on the video icons, you will be prompted to enter a user name and password. Use the following case sensitive entries:

Username: casetest

Password: Leeds123
